

**MEMORANDUM OF UNDERSTANDING
BETWEEN
FACULTY OF ENGINEERING,
KING MONGKUT'S UNIVERSITY OF TECHNOLOGY NORTH BANGKOK, THAILAND
AND
JAPAN MATERIAL HANDLING SOCIETY,
JAPAN**

Faculty of Engineering, King Mongkut's University of Technology North Bangkok, Thailand and Japan Material Handling Society, Japan conclude this Memorandum of Understanding (MoU) for the purpose of promoting academic, professional and friendly exchanges between the two institutions following these conditions.

- 1 Each institution will make an effort to promote and develop cooperation in the following activities based upon the principles of equality and reciprocity:
 - (a) Exchange of faculty members, research staff and students.
 - (b) Collaboration in education and technology transfer.
- 2 Exchange of faculty members, research staff and students.
 - (a) Both institutions agree to advise the participants in finding adequate housing.
 - (b) The responsibility for travel expenses incurred by the participating faculty and research staff shall be determined upon deliberation between the two institutions.
 - (c) The responsibility for living expenses incurred by the participating faculty and research staff shall be determined upon deliberation between the two institutions.
- 3 This MoU shall begin after signing and shall continue thereafter for three years, subject from time to time to revisions or modifications by mutual agreement. After the initial three years, this MoU may be extended upon mutual agreement thereafter.
- 4 Either institution may terminate this MoU at the end of any calendar year by giving written notice to the other institution of no less than six months.
